# WORLD DAY

## 5th June is World Environment Day

INDIA is the global host of 2018 "WORLD ENVIRONMENT DAY" With "Beat Plastic Pollution" as the theme for this year's edition, the world is coming together to combat single-use plastic pollution.

"Beat Plastic Pollution", the theme for World Environment 2018, urges Government, industries, communities, and individuals to come together and explore sustainable alternatives and urgently reduce the production and excessive use of single-use plastic polluting our oceans, damaging marine life and threatening human health.

India is emerging as a leader; given it has one of the highest recycling rates in the world. It can be instrumental in combating plastic pollution. By hosting World Environment Day 2018, the Indian government is accelerating its leadership on an issue of tremendous magnitude.

Plastic Pollution facts:

- Every year the world uses 500 billion plastic bags
- Each year, at least 8 million tones of plastic end up in the oceans, the equivalent of a full garbage truck every minute.
- In the last decade, we produced more plastic than in the whole last century
- 50 percent of the plastic we use is single-use or disposable
- We buy 1 million plastic bottles every minute
- Plastic makes up 10% of all of the waste we generate.....

If each and every one of us does at least one green good deed daily towards our Green Social Responsibility, there will be billions of green good deeds daily on the planet."

I suggest each & every club to planning for good activities on 5th JUNE WORLD ENVIRONMENT DAY. I request every club to plant minimum 100 trees.

International Project Chairman

## 14th June is World Blood Donor Day

14th June is the Birthday of Karl Landsteiner, the founder of Blood Group so world celebrates this day as a World Blood Donor Day and fortunately our International President Ally Bhupendra Chahwala's Birthday is also on this day therfore I suggest every club/District to organize Blood Donation Camp during week and at least we should collect 1100 unit of Blood as a Gift to President. For your kind information President has donated 55 times & he has organized about 250 Blood Donation Camp and collected about 15,000 unit of Blood during 15 years & he is also the committee member of Surat Raktdan Kendra and Researche Centre..

This Year's Slogan:

Be there for someone else. Give blood. Share life.

Every year, on 14th June, countries around the world celebrate World Blood Donor Day. The event serves to thank voluntary, unpaid blood donors for their life-saving gifts of blood and to raise awareness of the need for regular blood donations to ensure the quality, safety and availability of blood and blood products for patients in need. The host country for World Blood Donor Day 2018 is Greece.

The objectives of this year's campaign

- to celebrate and thank individuals who donate blood and to encourage those who have not yet donated blood to start donating;
- to raise wider awareness that blood donation is an altruistic action that benefits all of society and that an adequate supply can only be ensured through regular donations by voluntary, unpaid blood donors;
- to highlight the need for committed, year-round blood donation, in order to maintain adequate supplies and achieve national self-sufficiency of blood;

to focus attention on blood donation as an expression of community participation in the health system, and the importance of community participation in maintaining sufficient, safe and sustainable blood supplies;

## 17th June is Father's Day

Father's Day is celebrated in honor of Fathers and Father like figures. It is celebrated on the third Sunday of June in the USA and in some other countries.Mrs. Sonora Dodd is believed to be the first person suggested the idea of celebrating Father's Day in honor of fathers in 1909. The first Father's day was celebrated in USA on 19th June, 1910.On this day people used to honor their fathers or the father like persons who have a great contribution and a huge impact in their lives. Everyone has their own way to celebrate Father's day. Some people give cards, gifts or flowers to their fathers, some prefer to dine out and some spend the whole day with their fathers. The goal of this day is to honor fathers and make them feel that how special they are.

## 21st June is World Yoga Day

International Yoga Day celebrates yoga, an ancient physical, mental and spiritual practice. Today, yoga, which originated in India, is one of the world's most popular healthy activities.

In September of 2014, India's Prime Minister Shree Narendra Modi proposed the establishment of an International Day of Yoga to promote international peace and cooperation. His request was granted by the United Nations General Assembly in December, 2014 in an effort to highlight the benefits of yoga to physical well-being and to world peace and development. On June 21st, 2015, the first International Day of Yoga was celebrated worldwide, leading to a new Guinness Record for the largest yoga lesson, consisting of nearly 36,000 participants, in India's capital, New Delhi.

It's my humble request to every Club President to celebrate World Yoga Day on 21st June.
