### DISCIPLINE MUST BE MAINTAINED

Dear Dedicated Ally...

I am happy & so much excited to see the high speed of Perfect development & expansion of Allianism which is only because of your agitation. I like to appreciate each & every leaders & members for their positive & aggressive mission for development..

But firmly I believe in discipline. I have heard that before the invention of relativity theory the great scientist Albert Einstein thought about the discipline of galaxy. He felt that the galaxy is working under solid discipline & rules and our family of Earth, Sun, Moon, Planets, Stars are also maintaining discipline perfectly so why we shouldn't? I can't understand why we are ignoring discipline in every sector like traffic, business, family and organization. I suggest every leaders to guide people for keeping discipline in Club, District, Multiple and International. I believe that discipline can create solid image of organisation.

28th May is most important day of my life because I have started first club Alliance Club Of Surat DivyaShakti in Surat, Gujarat as a Charter President with the inspiration of FP Ally Satish Lakhotiaji. But I never thought about International Presidentship but it's happened & I became International President only because of three words INTEREST, DEDICATION & DISCIPLINE. The Journey of Club Charter President To International President is being interesting & Amazing with full of ups & down experiences. During these eight years I have earned so many friends & experiences and enjoyed life differently with ALLIANISM.

Congratulations to District Governor Ally Abha Sahu District 103 Jabalpur and District Governor Ally Meera Khare District 107 Lucknow & District Governor Ally Shyam Pandey District 108 Sagar for conducting successful District Conference. Fortunately I could attend these all functions. It's amazing that first time DG Ally Abha Sahu has been sponsored 11 Ladies Clubs. Congrats for making fantastic record....

It's My Pleasure to inform you that we are going to CELEBRATE DECADE OF ALLIANCE [?? ???? ???? ?] on 5th September Wednesday at Kolkata on Alliance Established Day and Founder President Ally Satish Lakhotiaji's Birthday. So I request everyone to attend positively because we are going to complete successful 10years of Allianism

I Congrats & Appreciate those people who are working & thinking round the clock about Development.. Development.. Development

### From the desk of Founder President.....Ally Satish Lakhotia

My Dear Ally Friends,

I am really happy and sincerely appreciate that our magazine is full of need based, season oriented service activities. Cold water distribution, sorbet distribution, installation of water coolers, water purifiers at different places, even putting up water pots for birds are really wonderful. Keep doing these meaningful service projects. We all know that every year in summer scarcity of blood at Blood bank causes great tension. So friends, keeping this in mind, you are suggested to arrange more and more blood donation camps everywhere. Hopefully monsoon is in its way, so some tree plantations would also be relevant for the betterment of society. Congratulations to Alliance District 101 for conducting Smoke Free Rally on 27th May, 2018 in Kolkata. This was a huge success and also it helps to build a good image of our organization in larger part of society. All the best wishes & Happy Allianism.

### From the desk of Imm. Past International President.....

Ally Kamal Lakhotia

Dear Ally Members,

A big congratulation to Alliance Clubs International, District 101, District Governor Ally Ramesh Kedia and all the participants for wonderfully conducting image building program on 'Smoke Free' environment.

I would also like to congratulate other District dignitaries who organized wonderful service activities like cold water distribution, clothes distribution, food distribution etc. We should try to reach more and more people and make them aware of our presence in the field of service oriented projects. We should also try to build a better image for our organization through celebrating our spirit. Wish you all the best & Celebrate Allianism.

### From the desk of 1st International Vice President.....

Dr. Ashwini Kumar Gupta

Dear Ally Friends

as Members of this great organisation

Be Of Service To Others By Radiating Happiness :

Being of service is one of the greatest paths to Happiness, but remember that your greatest service to others is the person that you are, rather than the tasks you accomplish.

Your greatest gift to others is to give them happiness, and by far the most powerful way to do that is to be an example of happiness and to radiate that happiness to others  
Sending you Love n Light

### From the desk of 2nd International Vice President.....

Ally VVSS Sarma

Dear Ally. Members,

I do appreciate all the Governors those who released their mini-directory, district pin and completion of district cabinet installations. I urge the remaining governors to push into the task of completing the above activities before the first cabinet meeting of the respective districts. My heart felt congratulations to you all for successful and full of service activities for last two months you have done. North, East, South and west Multiple clubs are doing wonderful service activities. This is exactly as Alliance Team

members we are trying to lessen the sufferings of our less privileged brethren. The smallest of actions is always better than the boldest of intentions. I am sure all of you will be instrumental in holding the flag of Alliance high.

It's our Signature, Ambitious, Image Building Permanent Project. Since 10th December 2011 it was my dream to start such project for needy people because when I became Charter District Governor on this day our Founder President Ally Satish Lakhotiaji installed me & suggested in his speech to Give Job To Jobless People is better than to help needy. In my home District 141 Surat we have started to donate sewing machine to needy person free of cost by Clubs. It's Appreciable that our centurion Club Alliance Club of Surat Sunflower is giving sewing machine to needy every month in their General Meeting since six years as a permanent project.

Dear Ally I am to much happy to inform you that I have already inaugurated First "Alliance Sewing Training Centre" in Surat on 10th May Thursday with the support of President Ally Advocate Sunny Parmar and Team who has started new club Alliance Club Of Surat DIVINE and IPC Ally Advocate Ranchhod Parmar who has sponsored this club and provided place for this centre. Congrats & Salute both of you..

I have also inaugurated second Sewing Training Centre with MLA Shri Suresh Shrivastav at Lucknow on 12th May Saturday with the support of DG Ally Meena Khare District 107 who has provided place for this project. Congrats DG Ally Meena Khareji & Team...

Dear Dedicated Members it's my dream to open this type of permanent centre in every city of India so image building of Alliance will be developed high level. But you know without financial support everything is meaningless so I appeal to everyone to encourage this project by financial support by you or public...

On 13th May second Sunday of May "HAPPY MOTHER'S DAY" I have dedicated this project to my mother Late Lilavati N. Chahwala because before Fifty years she had purchased sewing machine of Usha Company by loan & did work of sewing to help our family in critical situation... Still our country is poor so many people are Jobless therefore it's our social responsibility to help them by this project "GIVE JOB TO JOBLESS PEOPLE"

Yours in Allianism

Ally Bhupendra Chahwala

International President
