My Dear Ally Friends,

Anniversaries reveal an organization's soul and fuels the vision for what is ahead. 5th September, 2018 is very special and unique to me indeed. Our own Alliance Clubs International turns 10 on this day. I am thankful to each one of you for the small victories and tiniest contribution as it's not the endgame that matters most but how we got where we are. The achievements of an organization are the results of the combined efforts of every individual. Happy 10th Anniversary. Ten years ago I dreamt of an world wide organization which will work endlessly towards betterment of humanity. Thank you all for believing in my dream, being with me, walking towards same destination. In the coming years, we will expand ourselves, reach more people and celebrate more grandly. Always remember coming together is the beginning. Keeping together is progress & working together is success. Happy Allianism.

From the desk of Imm. Past International President.....

Dear Ally Members,

Congratulations to all the members for successfully completing 10 years of service & fellowship. Friends, It's the tenth anniversary and I am really proud of that. We always had long term vision for this. It's such a massive undertaking that to only do it once would not be best use of anyone's time. It's another year of creating precious memories, another year to discover new things, another year to strengthen our fellowship.

Celebrate Allianism.

From the desk of 2nd International Vice President.....

Ally VVSS Sarma

Dear Ally Members,

It is my pleasure to address all through this journal in this month, decade celebrations of our beloved organization and the celebration of the birth day of our Founder Ally. Satish Lakhota. I am well aware that almost all the leaders in the districts of our organization are constantly organizing splendid projects which are benefitting large number of community. Every small or big fixation will add in the image of Alliance Clubs and to spread our wings to the extreme top of the limits. If we closely observe the structure of our great organization, our foundation starts from Club, Zone, Regional, District, Multiple and then International Leaders. If a building is capable of facing the challenges of all the inner and outer calamities the building foundation should be very strong hence I appeal to all the leaders to come

forward and share the opinions collectively in the news and views plat form to make stronger and strongest foundation of our organization.

In the recent July and August Rain Falls across 8 states in our country, I am so grieved in my spirit for the loss of lives and wealth. People are helpless and hopeless. I urge all Alliance members to help their best to the victims to bring them to normal life. Unity brings strength and power to serve. Alone we can do so little but together we can do so much. Let us all to be united under the banner of allianism and work together by joining hands to accomplish the vision and mission of our organization.
