Dear Dedicated Ally,

It's a record in the history of Alliance that for the first time in consecutive two month i.e October & November, 2018 we organized fellowship tour of Tashkent & Srilanka under the amazing & fabulous management of Founder Ally Satish Lakhotaaji. It was really a fantastic & successful fellowship trip. Congratulations to FP Ally Satish Lakhotaaji & all the participants of the journey.

It's a matter of proud for organization that first time we have conducted successful Third International Board Meeting at Hotel Galadari, Colombo, Srilanka. And with the grace of God I have sponsored two new Districts in Srilanka & Maldives under the able leadership of District Governor Ally Revolutionizer Ishri of Srilanka. This year we have made so many life members from abroad & India, which is also remarkable.

Our Moto "WE CARE", means our first duty is to take care of our family, business & job. If you are privileged then you can definitely help to underprivileged. The another meaning of WE CARE is to help Ally member in critical situation and also to take care of your Club, District, Multiple and International. Club Presidents, District Governors, Multiple Chairmen, International Board Members should understand the philosophy of "WE CARE". If you believe in "WE CARE" then you should not demotivate anybody but inspire every one.

Dear Ally Members,

December is last month of year, so it is the time to look back and have a reality check. From where we started and how far we have reached in this year. In our Allianstic year, we have crossed 8 months and conducted various service activities, three International Board Meetings, two foreign tours and one big bash on Decade Celebration. So we must be happy and satisfied with our progress. December is also moth of Celebration, so we should organize service projects keeping this in mind. Winter is already approached specially in northern India, so distributing woolens and warm clothes among needy people would be a great idea. Merry Christmas and Happy New Year to all of you.

Dear Ally Friends

Greetings

Be PROUD to be a member of this great organisation. Take pride in whatever little you do for the betterment of the society. We do not need magic to change the world, we carry all the power we need inside ourselves already : we have the power to imagine better.

It is easy to be Positive when everything is working out. It's much harder, much much harder when nothing is working out. But that's when we need it the most .....

Everything is worth the prize.
