From the Desk of International President

ALLY VVSS SARMA

Dear Ally. Members,

A happy person always makes happiness to others as rose spreads fragrance. A profusion of pink roses bending tattered in the rain speaks to me of all gentleness and its stable. We have already passed 3 months without knowing to us in this Allianstic Year 2020-2021. It is a record that these three months were full of service activities & served to the needy. I am extremely happy that club level and district level the leaders are working to the utmost satisfaction. In my last month message and in 1st Board meeting, I have specially announced the leader's names and will be given awards as soon as we come out from this covid19 panic situation prevailing. Dear Ally. Leaders this year my aim is on the growth of Alliance and also plantation. Friends this July month and monsoon is a full swing for two more months so we must concentrate on "Tree Plantation" and also on "Water Projects".

We must protect the forests for our children, grandchildren and grand, grandchildren yet to born. We must protect the forests for those who cannot speak for themselves such as the birds, animals and fish and trees. When I am walking alone in a forest, to my surprise one tree is trying to say with me in dancing moments "Every day I supply oxygen to meet the requirement of 4 people, Am I not worth living?". Earth provides enough to satisfy every man's needs but not every man's greed. When we work wholeheartedly for the society without any prejudice in mind, they are bound to grow. No doubt we can do service alone but if we join hands it ensures continuity and longevity. When we do work with our self-interest it will there as long as we are, but if we do for society, and involve the society, it will continue and create a history. Hence, friends, I thought of forming an "Alliance Mini Forest" in a big way involving the society so that this will be converted into a great image project during this year. Whenever I visit my farm, I feel that trees are very happy on my visit and wanted to say something. I also feel like and with a touch, I am understanding their language and springing full satisfaction of my visit. Finally, I would like to emphasize on Environmental Clean: we should keep our environment clean and green for a smell-free, disease-free live. By implementing on it we can reduce pollution, get fresh air, live a peaceful life without any health problems.

"Earth is my Body, Fire is my Will, Air is my Breath, Water is my Blood & Space is my Thought."

From the desk of Founder President.....Ally Satish Lakhota

My Dear Alliance Members,

First of all , congratulations to all the District, Multiple & International leaders who took great effort & initiative for providing basic needs to the underprivileged section who are the worst sufferers of Lockdown and Covid-19 situation. West Bengal is more unfortunate as Super Cyclone Amphan hit its coastal area specially Sunderban. So District 101 conducted a mega relief camp at Sunderban and provided all the ration items to villagers of remote villages. I am so proud of my organization that it took the best possible step towards betterment of society when it needed most. We are also accustomed with the 'new normal' and conducted our very first International Board meeting virtually on Video

Conference app and enjoyed it thoroughly. Congratulations to Ally Tripta kaur Juneja for being appointed as Third Vice President of our beloved organization. I am also congratulating all the newly appointed Board members and also wish all of you all the very best.

Friends, we are going through very tough times both economically & socially , so we need to continue our relevant service oriented project . So best wishes for all.

From the desk of Past International President..... Ally Kamal Lakhota

ALL THE BEST- WE CAN.

From the desk of Imm. Past International President.....

Ally Dr. Ashwini K. Gupta

Dear All Greetings!

I congratulate Dr Tripta Kaur Juneja as the 3rd Int. Vice President and wish her well.

Congratulations are also in order to all those who in these trying times are serving the Society with zeal and enthusiasm. I share a thought with You.

The word "YES" in any language is one of the most powerful words you can use.

It will instantaneously and naturally expand your energy field, and make you more receptive to what the Universe is offering you.

When you say YES it vibrates your vocal cords and creates a powerful resonance in your body sending out positive vibrations into your world.

Take a moment right now to discover what YES feels like when you just think this thought.

Say the word YES in your mind several times getting louder each time. How does it make you feel? Did you notice any energy shift inside? Most people sense their energy is expanding and they feel more joyful and open to life.

Saying this magical word on your inner world is only a small portion of the power you can tap into.

I recommend saying YES out loud to the Universe if you really want to energetically open up your being and manifest whatever desire is trying to come your way.

"There is a life-affirming spark within you which constantly nudges you towards saying yes to life.

Create your YES list; a list of all the things you want to say YES to, and be prepared to be amazed.

So friends try it and sending you love and light."

From the desk of 1st International Vice President.....**Ally Krishan Gopal Aggarwal**

My Dear Ally Members,

Hope you and your family members are doing good and are safe from this pandemic. I specifically would like to congratulate DG-101 Ally Ravi Shankar Aggarwal and his team for the Hunger Project conducted by them. His team distributed 5000 packets in remote areas of Sunderband where no other NGO is offering services during this typical Corona period. I also congratulate other District Governors and their teams who offered need based services to the people of the society in June 2020. I appeal to all the Multiple Council Chairmans and International Directors to encourage all the District Governors working under them for the development of Clubs in respect to the membership growth in their respective areas. As monsoons have already started so I suggest to plant the trees as many as you can do. Tree Plantation is also one of the signature projects given by our International President Ally V.V.S.S. Sarma ji.

My good wishes are always with you. Serve with Smile.

**From the desk of 2nd International Vice President.....****Ally Manish Paul**

Dear & Respected Ally Sisters & Brothers,

Seasonal Greetings to all of you. I congratulate and convey my good wishes to Ally Tripta Kaur Juneja for being elected as Third International Vice President. I also convey my good wishes to Ally Sarma Ji, International President for successful completion of first quarter of the year of Covid-19. At the same time I should not diminish the zeal and activeness of those warriors, who are running to serve the needy of Covid-19 or Amphan cyclone keeping their life at risk by congratulating them. I offer a BIG Salute to

them. I am very happy to note the enthusiasm of members throughout the country for celebrating World Environment Day and International Yoga day. I will take privilege to remind all the members for payment of District Dues, Multiple Dues and International Dues as it is the month of July. I must remind all the District Governors to deposit International Dues and Multiple Dues within this month. I must mention another important aspect to all the port folio holders of the last year for completion of the year by filing final report to the ongoing Board and Higher office, that means in case of Club, the immediate Past President, Secretary and Treasurer will prepare the account for the year 2019-20 and file an audited copy of that account to the District Governor and Present President. In case of District, the IPDG, Secretary and Treasurer will prepare the account for the year 2019-20 and handover a copy of that accounts to Present DG and Multiple Council Chairman. Please Don't Ignore it as it has been decided in the 4th Board Meeting of 2019-20 held at New Delhi as Board Policy that no member will be allowed to take further Port Folio if he/she fails to comply any statutory/ regulatory duties at his/her previous port folio.

From the desk of 3rd International Vice President.....**Ally Dr. Tripta Kaur Juneja**

My Dear all Allys, I express my gratitude to you all for electing me as 3rd International Vice President 2020-21 in the pandemic era of Covid -19. I was not expecting that in all conditions of a lockdown, I will be announced, but I am fortunate that IPIP Ally Dr. Ashwini Gupta along with all board members announced me after a wonderful webinar meeting in Alliance history. Friends, Faith makes the things possible I promise to myself to make believes true these all might be possible with all yours accomplishment. I am grateful to our International President Ally VVSS Sarma, Founder President Ally Satish Lakhotia, PIDs Ally Dr. Ashwini Gupta, Ally Bhupendra Chahwala, Ally Kamal Lakhotia, Ally Palaparthi Subba Rao, Ally Dr. M. S. Bhatnagar, IVPs Ally K. G. Agarwal, Ally Manish Paul & board members to believe on me for leadership. Activities for needy persons or trodden society is a part of our PR but we are even less in numbers, so in priority, we have to increase the members in our association to work more effectively spreading all around 'Alliance'. Secondly the thing matters is quality leadership, through which we can be strong to growth. Thirdly the matter of communication, if we make a strong bonds with each other with designated posts, I am sure that targets would not so far from us. After that 'give & take' policy of respect healthy polices to make our association healthy, definitely we reached at the level, we deserve. My best wishes and congratulations to all the officials of International, Multiples, DGs, VDGs & Clubs for their post holdings. Stay Home - Stay Safe. Thanking you.
