My dear Alliance Family
Greetings

I am glad that all of you are doing your utmost in spreading Alliance through Service Fellowship and Extension.

Be of Service to Others by Radiating Happiness: Being of service is one of the greatest paths to Happiness, but remember that your greatest service to others is the person that you are, rather than the tasks you accomplish. Your greatest gift to others is to give them happiness, and by far the most powerful way to do that is to be an example of happiness and to radiate that happiness to others.

I have had the opportunity to visit nearly the entire country and am happy with the zeal and zest all have shown in undertaking not only installation of Districts but also Service oriented Projects.

Each and every Area has its own needs but one thing common is to dissipate hunger and that is where my emphasis lies. So do keep your focus on **EK MUTTHI ANAJ.**

Sending you Love n light

I would also like to congratulate all District dignitaries who organized wonderful service activities like cold water distribution, clothes distribution, food distribution etc. In Summer try to organise some blood donation camps as there is very heavy shortage of blood. We should try to reach more and more people and make them aware of our presence in the field of service oriented projects. We should also try to build a better image for our organization through celebrating our spirit .Wish you all the best. I would also like to congratulate the District & Club Leaders who has already cleared their International dues and advice other District Dignitaries to pay their pending dues for smooth operation of administration.

Dear Dedicated Ally...

Service activities is the base of organisation because people know us as a social worker and basically our motto is to serve more & more needy people and I suggest Club Presidents & leaders when you go for doing activities please invite more Members & Invitee guest so they can be motivated for our mission and will try to help physically & financially. Leaders should try to celebrate his/her or his/her family members birth day or marriage Anniversary with good service activities and every club President should keep the record of club members birth day or Marriage Anniversary and before that event should remind and motivate them to celebrate with Service activities. Always keep banner of Alliance in activities. Every year club should do permanent Project.

All The Best

From the desk of 1st International Vice President..... Ally VVSS Sarma

Dear Ally. Members,

Knowledge is power. But it is only "prospective Power". It transforms into actual power the moment you determinedly do something on it. Dear Governors Why I am quoting this to you is; you have only 365 days in your hand. No body can take from you. Each day you can make significant, more generous, more passionate. Yes I agree . You might face many challenges while moving forwards but never ask the challenges " Why to me ", tackle them with smile and love and say or answer "let me try to do with your co-operation". Again and again I appeal to all the leaders to conduct PST seminars and MERLOW workshops, then only you can derive positive results. I appeal to all the Multiples to conduct DG/VDG and their cabinet training classes exclusively with specialized faculty . Our Dynamic President Ally Dr. Ashwini Kumar Gupta and we the team members ready to extend any type of help for the development of our organization. Once again I wish you all the best for your future endeavors .

From the desk of 2nd International Vice President..... Ally Krishan Gopal Aggarwal

All the club presidents are requested again to deposit their International Dues as early as possible and update the addresses with pin code of members at the Head Office so that News & Views magazine can reach all members. Always Serve with Smile.

From the desk of 3rd International Vice President..... Ally Manish Paul

My Dear & Respected Ally Brothers & Sisters,

At the very outset Seasonal Greetings to all of you. I must congratulate to those Captains who took the oath for reaching of our beloved Alliance Clubs International into a new height in the year 2019-20. It becomes a daily event for the last two months, somehow & somewhere Alliance clubs International is with the less fortunate of the country. I am very confident that the degree of WE CARE will increase day by day trough service. My humble request to my Ally Brothers & Sisters for completing the administrative obligations in between the slightest gap of social obligations as 30th June is the last date of payment for International & Multiple Dues. If we fail the date, we have to pay penalty for Rs.50 per member for international dues or else our service activity will not be recognised as clubs/district will run in status quo mode till the clearance of International Dues with penalty. When you will read this massage, World Environment Day is passed off but please don't stop yourself from planting seeds or saplings as oxygen in the nature is in crisis, which can stop our breathing. One more thing, try to organize blood donation camp as many as possible to stop the mothers' cry of thalassaemic child. Once again wish your success with good luck and good health.
