International President

Ally Dr. Ashwini K. Gupta

Dear Alliance Family

Greetings

This month my emphasis is on Consolidation of our movement. And what more better is that by carrying out projects with the participation of Board Members Districts and the Public at large.

This is my new initiative where the International Committee Chairpersons are taking the initiative and initiating projects with a wider objective so as to bring both the members and general public attracted to the Alliance fold.

I am happy to announce that the South ICC have taken the initiative and have taken up multiple projects for the 6th and 7th July 2019.

Our 1st Vice President Ally VVS Sarma along with some members of our board including myself would be joining them .

Participation and cooperation in projects is the key to success. Service has no gender no religion & no color.

No doubt we can do service alone but if we join hands it ensures continuity and longevity.

When we do a project alone it will be there as long we are but if we involve the society it will continue to be long after we are no more.

So let us partner and forge relationships so that our legacy continues well into the future.

My Dear Ally Members,

Congratulations to all the District leaders who have already installed their cabinet and conducted first Cabinet Meeting. Friends, we are on the verge of a new crisis; water crisis. Ground water as well as Potable water is decreasing throughout India. So we must learn how to use less water intelligently, recycle non drinkable water and stop wastage. So we can organize awareness seminar on Water Scarcity and also distribute baby plants to people. In this monsoon we should organize more and more tree Plantation Program. We can also make people aware of rainwater harvesting. Together we definitely can face the burning problem.

From the desk of Past International President..... Ally Kamal Lakhotia

Dear Ally Friends,

First of all, Congratulation to all the District Dignitaries who have already completed their District Installation. I attended several Installations and was very much impressed with dedication of leaders. Dear members, Monsoon has already been started so my suggestion is to do projects basis on Tree Plantation, Health Check up Camp, Awareness Camp about Drinking Pure water etc. Celebrating Allianism together is our motto and creating strong fellowship is our purpose. All the best for your upcoming projects.

From the desk of Immediate Past International President..... Ally Bhupendra Chahwala

The Meaning of Alliance "A" is Action & Attitude. As per the rules of Karma you can see that every reaction is based on action. We can see so many examples from Ramayana & Mahabharat. The episode of "Dhropadi Chirharan" was the reaction of very insulated action when Dhropadi told Duryodhan "Blind Son Of Blind Father" and episode of "Ram Vanvas" was also reaction of very terrible action when Janak Raja had killed the blind parents of Shraavan in jungle when he went for hunting in jungle & they told that you will also suffer the distance of your son.

So friends I suggest you always aware about your actions. If you do nothing it's okay but don't do wrong with anybody otherwise reactions would be unexpected. I think that District Installation is a very much important occasion for Fellowship and to motivate Members & leaders to start work aggressively & perfectly so it's the duty of leaders to plan in advance and should be completed

before 30th June.

From the desk of 1st International Vice President.....

Ally VVSS Sarma

My heart felt congratulations to our International President Ally. Dr. Ashwini Kumar Guptaji for successfully completing first three months of Allianstic Year 2019-20. This year we have witnessed interaction with foreign delegates by our International President. Our IP is making our Alliance Move truly, International wide by interacting with World Leaders. My heart felt congratulations to all the Governors who have completed installation of new office bearers and also conducted PST seminars at their respective places. All most all districts have started doing our IP Project EK MUTHI Anaaj. Service to the Needy is one of the Greatest Paths to Happiness. In this message I would like to emphasize on Water Conservation. Rain harvesting and recycling of water. Create soakage wells or pits in every house. Encourage "Wealth from Waste activates" in various schools and colleges, Poster Contests on smart cities water conversation, Swatch Bharat, Clean Environment etc. which may produce their results in changing the mind set of people in the long run. Plant trees and save Universe.

From the desk of 2nd International Vice President.....

Ally Krishan Gopal Aggarwal
