My Dear Alliance Family Members

Greetings

History was created this month when all the ICC and Board members of South held a two day Mega Carnival of Projects at Chennai.

My sincere thanks to Ally Rakesh Jain for coordinating and special thanks to 1st Vice President Ally VVS Sarma for fully supporting the projects.

The attendance of Board members from various parts of the country displayed their dedication and devotion.

Our prime purpose in this life is to help others.

In the words of Mother Teresa

If we have no peace,
it is because we have forgotten
that we belong to each other.

So it is of utmost importance that in simple words :

If you are healthy, support those who are sick.

If you have a job, support those who have lost theirs.

If you are strong, support those who are feeble of body or mind.

Remember we can only redeem ourselves by only serving the less privileged and what better way can be than through our esteemed organisation

ALLIANCE CLUBS INTERNATIONAL.

Sending you Love n Light

From the desk of Immediate Past International President..... Ally Bhupendra Chahwala

Dear Dedicated Ally

Can we make ONE LAC Members in BHARAT ? No !!! why ? Because we have so many excuses while our population is One hundred thirty Crore !!!

But after all discussion in Multiple west 1st Council Meeting I concluded that there is only two reasons for our failure. Firstly we have so many leaders but Perfect leaders are rare so the question of motivation is very weak. Secondly please accept that ours efforts are not solid & powerful for Membership growth.

CONGRATULATIONS to MCC west Ally Dr.Rajesh Agarwal for Perfect & successful 1st Council Meeting of West in Surat & also Complements to DG Ally Vishnu Puniwala & VMCC Ally Ashok Dhabuwala for outstanding & amazing management.

From the desk of 1st International Vice President..... Ally VVSS Sarma

Dear Ally. Members,

Happy Independence day, Happy Raksha Bandhan & Happy Janmashtami.

As an Indian I am very much proud to say that Our ISRO Successfully launched its second mission, Chandrayaan-2, to the moon. My heart felt congratulations for entire ISRO team.

Further in our Alliance the South ICCs of Chennai made a wonderful record in conducting two days service activities. My suggestion is now we have to concentrate and think differently about our future challenges, for example the India suffering worst water crisis in history, says Niti Aayog report. Water is the most important resource for any life to exist. At one side the cities are facing severe water crisis and on the other hand they are flooded with rainwater, which is the most common source of fresh water in the monsoon. The neglected harvesting systems have simply worsened the situations. Today, the hunt for a water source and its sustainability is a big concern. One of the solutions for water crisis is capturing of this abundant rainwater through rainwater harvesting. As such I request all the DGs in India to motivate their District Chairpersons to conduct Seminars and release Pamphlets and awareness programs on rainwater harvesting.

From the desk of 2nd International Vice President..... Ally Krishan Gopal Aggarwal

My Dear Ally Members,

I'd like to congratulate each member of our Alliance community for doing the wonderful service projects and fellowship activities during the month of July, 2019. I congratulate from the core of my heart to all the Club Presidents and their members who have organized Blood Donation Camp during the month of July, 2019. I congratulate all the Club Members who has done Tree Plantations in their areas in the month of July, 2019. I again request all of you please plant more & more Trees in your respective areas in the Month of August to save the Environment. Our worthy International President Ally Dr. Ashwini Gupta has fixed up the next International Board Meeting on 31/08/2019 at Jabalpur, so I request all the International Board members to attend this meeting. This year Our Organization is celebrating Alliance International Foundation Day on 5th September, 2019 in Pattaya/Bangkok, so I request all of you to book your Tickets to attend this Mega Event & make it a grant success. Serve with Love To All.

From the desk of 3rd International Vice President..... Ally Manish Paul

My Dear Ally Brothers & Sisters,

I congratulate all of you for the activities done by you in the month of July 2019. It's my privilege to convey my best wishes for the Month of AUGUST, the month of Queen of Seasons (Varsha/Sawan), National Friendship Day, Raksha Bandhan, Jamastami, Indian Independence Day. In this behalf, I would like to mind you something for the betterment of our organisation.

A well-known saying that "If you want to change the world, go home and love your family." That doesn't mean members should ignore the needs outside their own homes; instead, they should pay attention to the needs within. It can be tempting, when our priority is service, to focus only on the things that look like service: the projects, the planning and the work that yields a visible benefit to those who need it. But to do that work effectively, we need to keep our own house in order. It means maximizing our impact by planning carefully and stewarding our resources wisely. And it means looking after the long-term health of our organization by ensuring that our membership is strong, engaged, and healthy.

Our membership has hovered around the same for 3 years. We aren't growing, and our membership is getting older. We are a membership based organization. If we want to achieve the goals we've set for ourselves, we need to put membership in priority. If we want to be part of an organization that's strong, that's active, that's having an impact – start at home, and Be the Inspiration in Alliance.
