Dear Ally. Family Members,

My Heart Felt Vijay Dashmi Greetings to all of you. The recent 2nd Board Meeting held at Faridabad is very much booming and we appreciate our International President Ally. K.G. Agarwal ji and his team for overwhelming event. This month of October, dussehra celebration is an important part of Indian culture. The vibrant colours, the huge idols and the relatable themes are a major attraction for foreign tourists. It holds a special place in the hearts of devotees and is usually followed by the festival of lights i.e. Diwali another important festival in India. At a spiritual level, Dussehra or Diwali also signifies the end of negativity and evil within us (biases, prejudices, stereotypes) and marks a fresh new beginning. Since our organization pertains to Service oriented to the public let us start a new permanent project during this holy month. I personally suggest to set up Hand Washing Stations in the name of Alliance Clubs International at public places where crowd and gatherings are more and more. Dear Members Pandemic situation not ended and it is continuing and prevailing let us follow the principles of wearing masks, keeping 6 ft distance and avoiding gatherings and stop attending the public meetings.

Ally VVSS Sarma

From the desk of 1st International Vice President..... Ally Manish Paul

Hello Ally Sisters & Brothers,

Seasonal greeting from core of my heart to all of you. It is notable and very praiseworthy that all the clubs throughout the country are being carried on need based activity and further completed the selection/election of their future leaders with full enthusiasm. By these process they used to meet and greet with the members each other after a long gap created by Covid-19 but they are maintaining all statutory restrictions in this regard. In the meantime our beloved and respected International President called second International Board Meeting at Faridabad and all the participants enjoyed the same fabulously. I was also part of that enjoyment and convey my thanks with round of applause to IP Sir and the members of Faridabad District. He is also arranging the third International Board Meeting within short span of time in that tune. I earnestly request all the Board members

especially those missed the enjoyment of second meeting to attend the upcoming one. By the by I earnestly request all the district authority those have not cleared their international dues, please do it immediately as because there is a chance that the International Board may take a concrete decision in this behalf. At last but not least I wish good and safe health for all my Ally Sisters & Brothers and hope that we will meet soon.

From the desk of 2nd International Vice President.....

Ally Dr. Tripta Kaur Juneja

Motivation and appreciation is the key to success.

We all like, when being appreciated by anyone. Appreciation is always parallel way of motivate the betterment of any task. A good motivator, always inbuilt the quality of appreciation that is well knows how to motivate & appreciate. With both of these qualities a leader can win the hearts. In the world of stress and anxiety, the mass is suffering from depression & seeking a life full of happiness. Today we all Ally need to save precious lives from the traumas. Only one way is there i.e, motivate others for a good cause & appreciate the workmanship. Everyone deserves some extra cares for whatever they had and whatever they do, so it's a need of moment to serve extra incentives to others. A leader always appreciate others rather than deserving for own, but obviously it returns back. Appreciation not only leaves the impact of affection, it gives a confident to ones. In other words leadership may be by birth or with upbringing, but in both conditions it demands a sacrifice for the nation, association, society & family. We & you all are fortunate with our Alliance Clubs International to serve the nation & serving with selflessness. **'Appreciate everyone' for your self happiness.**
