My Dear Alliance Family Members,
Greetings!!

India is a diverse country with vast geography, history, culture, language and is the largest democracy on earth. No doubt the culture and heritage of India is the amalgamation of the past and the present.

Festival seasons in India are widely spread evenly throughout the year and mostly it is seen that every month there is a festival in some or the other parts of the country. In India, February month is the last cooler month of winter and is enjoyed by everyone. There are several events, festivals, observances of national and international importance that fall in February.

"The diversity of India, of our civilization, is actually a thing of beauty, which is something we are extremely proud of"

I'd like to convey my best wishes for the following important days in February – Basant Panchami, World Cancer Day, Valentine's Day and World Day of Social Justice.

The Annual Convention is declared to happen on 12th March 2022 at Hotel Radisson Blu, Faridabad. It is a mega event of Alliance Clubs International. The members who worked for Social upliftment and development of our organization will be honored in this event. It is expected that around 200 people will be attending this event and it is requested to everyone to please make your travel arrangements accordingly. Every Board Member will be decorated with an award for their work and every attending member will be given registration gifts. This event will be hosted and managed by District-150.

I request all the District Governors to complete their District Convention before 20th February 2022 and all the Multiple Council Chairperson are requested to organize their Multiple Council Convention upto 27th February 2022 and submit their nomination documents to the nomination committee upto 5th March 2022.

I thank you all for serving to the community and spreading love and affection to the needy society.

My Dear Alliance Members,

Hope each and every Ally friends and their near ones are safe and healthy in this Omicron season. This third wave took its toll on almost everyone but thankfully it was not fatal and not dangerous as second wave. Hope we are almost come towards Endemic. We are really crossing our fingers and hope to meet one another in our Annual Convention. We could not do so for consecutive two years so this year we really eager to attend this. Friends, February has come so my advice is that you all should organize your conference in districts and multiple levels and finish electing your new governing body. And do not forget to send your cabinet details to Head Office. Warm regards and best wishes. Hope to see you soon.

From the desk of Past International President..... Ally Kamal Lakhota

Dear Ally Members,

The months of February and March are very decisive period in our New Allianistic Year. All the districts will choose their New Leaders who would be the torch bearers for the next year at all levels of leadership. This month is full of Administrative activities, conferences will take place in their respective areas may be by zoom or may be by Physical Attendance depending upon their situations prevailing in their respective areas. According to Great Sri Ramanujan "Any money which comes to one's share beyond the actual needs is only to be received as Trust Fund for Social Good." In true sense our club leaders followed this formula and rendered their service activities during this pandemic situation. One more mile stone we have achieved in our ACI that Long pending desire of having our own office in Kolkata. My heartfelt congratulations to our Founder and all the donors for this noble cause and at the same time dist 101 also achieved to have own Meeting Hall in the same area which is added advantage to us. Fortune now seemed to smile on the long-suffering of covid-19 harrowing situation. COVID19 in India is moving towards Endemic. Let us hope good by 12th March and let us actively participate in the upcoming annual convention to be held at Faridabad. Go green, go clean and go fit "Keep our Environment Clean and Save our Mother Earth".

From the desk of Past International President.....

Ally Bhupendra Chahwala

Dear Dedicated Allys,

Once again we are facing pandemic of Covid 19 Omicron virus but try to remember that no need to be afraid but need to be aware & I salute the confidence of members & leaders that between this critical situation they are serving awesomely. Now you have only two months to decide new team for club/District/Multiple for next year. At the end of year, final process is to complete the District/Multiple Convention, Award Ceremony & declaring new team.

I suggest everyone to attend International Convention at Faridabad positively with maximum registration.

Let's enjoy the Wonderful fellowship with Alliance Family.

Friends, February is the month of VALANTINE DAY & LOVE but the definition of LOVE is very vast & the base of love is sacrifice. You can see the Love of mother/child, brother/sister, friends & lovers.. But if you love Alliance please organize meeting on 14th February and to motivate members for dedication & development. ALL THE BEST

From the desk of 2nd International Vice President.....

Ally Dr. Tripta Kaur Juneja

Dear Ally Friends

"Talk Over Thoughts"

Friends, Wishing every member of Alliance a very high success for their dreams to become true. Keeping in mind that what we think we start to realize, begins believe, start reacts & finally talks about. As we all the leaders in different platforms of Alliance, our preference is to think about our organization & it's welfare. As we think high, possibly to discuss materialistic & act wisely. Dreams are not far to become real although one's not to become a dreamer. Only the service activities are not enough to make Image of association, It demands more & more to reach on acme. Firstly it needs more hand to work together with no cast, creed, religion, politics & area, then we think over some new projects. There are so many NGO's in our society & all of them are filling the gaps of donations in the form of service activities. I appeal for think over few new projects, that may help the youth to come over. Do some new jobs as cleanness project of your area, city, eradication of beggars, adopting a family to grown up, awareness & leadership programs for youth to obstruct drugs, abuse & let them come forward for morals conservation. If you think big, obviously you talk big, defiantly you do big. Let's join the hands with....."Rise & Shine" talk over thoughts.
