My Dear Alliance Family Members

Greetings

The month of August has been a celebrations of Independence.

True independence is when we are free from the shackles of Poverty Hunger and Disease due to lack of resources.

I am happy to observe that all out Districts and Clubs are doing their best in contributing towards Society.

This month I had the opportunity of participating in Projects where benches were given in a school along with tree plantation drive by District 137 under DG Ally Manjula Khare at a village Para, near Lucknow Though the school had no electricity the enthusiasm of the members was endless without a thought to the oppressive heat.

This is the Spirit.

Another Mega Project was of Health Check up for the underprivileged in the outskirts of Faridabad by District 102 under DG Ally Asha Mishra.

Right from the basic check up to high tech lab tests were there for specially the girls and underprivileged.

Two dozen automatic sewing machines were also distributed to the women for running their homes.

A very good project which deserves special mention is the distribution of food and raincoats to the Rickshaw pullers by A C Sanskar of Kolkata.

The icing in the cake this month was the Project of Our Vice President VVS Sarma who got a tube well bored for catering to water for Four villages at a cost of Four Lacs out of which Alliance Foundation paid Fifty thousand and the rest was paid by him. Further he donated a water tanker on the day of inauguration and distributed 2000 Sarees and food under Ek Mutthi Anaj to the villagers.

Because every drop makes an Ocean and I request you all to be that drop of Ocean.

Sending you light and love

Dr. Ashwini Gupta

People salute & appreciate our social activities. But sorry to say yet we are not successful in MISSION MEMBERSHIP GROWTH. Dear Ally Members,

It is my pleasure to address all through this journal in the month when we rejoice the Foundation Day of our beloved organization and the celebration of the birthday of our Founder Ally Satish Lakhotia. My heartfelt congratulations to all our Alliance Family members. It is because of their effective efforts and dedication together with the significant guidance of the leaders that Alliance Clubs International has been able to scale new heights. The greatest strength of any organization is the trust the society builds for them. We serve the aspirations of the society and involuntarily leave people behind, who in turn become our Ambassadors. Any mechanism works on a simple principle of GIVE and TAKE and there is no bigger entity than our society. Our Service Activities are not acts of kindness, but they are the realization of our duties towards our society. Last Month South ICCs of Chennai made a wonderful record in conducting two days of service activities. This month myself dedicated one R.O. Water Plant to the needs of 3 villagers in Nellore Dist worth of 3 Lakhs. Major amount of contribution was incurred by me in this Permanent project.
