My Dear Ally Brothers and Sisters,

Seasonal greetings to all. Allianstic year 2022-23 has crossed its major parts and only a quarter is left. Now it's time to pause a little and look back. Don't dwell in the past but

sometimes it is very important to look back just to measure how far we have come. Time will evaluate our journey but I am satisfied with my team's effort. When it comes to teamwork, there's nothing more powerful than collaboration. After all, "Teamwork makes the dream work."

As Simon Sinek Said, 'Let us be the leader we wish we had.' It is very easy to shift blame on others but it is not easy to come out of our comfort zone and take responsibility and it is even more difficult to own our mistake and learn from them. But these qualities make a leader, a leader. It is also responsibility of a leader to decentralize the decision making power and motivate future leaders. An ideal leader does never wish for absolute power, but always paves the path for next generation. Great leaders do not hold back with one another. They are unafraid to air their dirty laundry. They admit their mistakes, their weaknesses, and their concerns without fear of reprisal. Always remember that our Individual commitment to a group effort—that is what makes a team work, a company work, a society work, a civilization work.

Friends, winter is already here, so I suggest some season based service projects like woollens and blankets distribution, arranging night shelter, awareness seminar on various topics should be done in regular intervals. Let us be the Santa who brings smile on the face of our less fortunate brothers and sisters and children. Merry Christmas. Wish all the warmth and happiness in the world.

Dearest Ally Friends,

I have witnessed some meaningful, relevant big projects happening in last couple of months, which will make our Organization's image brighter and more powerful. Wish all of you all the best for your upcoming projects. I am also wishing all of you a merry Christmas.

From the desk of Past International President..... Ally Bhupendra Chahwala

Dear Dedicated Ally,

Best Compliment to all of you for your Dedicated positive attitude for Allianism. After 14 years & after so many ups & down if we may stand powerfully that means still members believe in Allianism heartily. It's the universal rule that powerful leader can lead people perfectly with his outstanding performance, I frankly speaking that sometime weak leadership can destroy everything so leadership is a great responsibility to run organization in any situations positively & perfectly. History of world says that where there is a great leadership there is a powerful expansion. So now still you have a time to prove your amazing leadership to organise solid programs like Region Conference, District Conference, Multiple Convention & International Convention successfully & Awesomely. ALL THE BEST

From the desk of Past International President.... Ally VVSS Sarma

Dear Ally Members,

Wish you all Happy and Prosperous Merry Christmas in Advance. Christmas is essentially a prompt of why we should stick to the cordial quantities of our people. That is, through celebration, we are reminded that we should share, give to the less privileged, spend time with loved ones and have a positive outlook about life in general. I advise you all to integrate the spirit of Christmas with the dedication of Service of Alliance to reach the unreached needy people. Winter season is approaching so we need to do season based activities such as blankets distribution or woollen cloths distribution to the needy people through our "We care stores". We have already crossed 8 months of Alliance Accounting year. All the clubs, districts and multiples are advised to clear all their annual dues and organize Annual Conference before International Convention i.e. before February 2023. Dear Multiple Leaders kindly take initiative and pursue to clear of the dues pending by the districts in your respective zones. Let us all do our best to coxswain our Alliance Ship to fresher horizons.

"Keep our Environment Clean and Save our Mother Earth".

From the desk of 1st International Vice President..... Ally Dr. Tripta Kaur Juneja

Dear Ally Friends

'POSITIVE AS POSE ACTIVE' Dear friends, time is flying fast to prove yourself as a dedicated Ally to needy ones. Every District in all zones are doing activities as per their capabilities, somehow more or less. But the question is that didn't we need more and more passion to rise or not? We need more passion & zeal to grow big as ever I said Dream big – think big – do big. From this message, I only want to request all to please cease the politics and begin steps to your goal for only your proud Alliance.

We know that we have only one year to hold any post in District or Multiple or International, after that we are only the friend who cares for society. If we are not able to respect & care of our companions or associates, what do expect for others or trodden society. So in whole we must be positive. Positive is not only a word it's pointed us to Pose Active & go ahead with positive attitude. Friends, I hope you all mean it portrait it proudly as Ally that means all the time liberal, ligature & young. "Rise & Shine" with pose active

From the desk of 2nd International Vice President..... Ally Sarita Burman

We have successfully served 9 months and I would like to congratulate all the District Governors and Multiple leaders for putting in immense hardwork and making this tenure worthwhile. I would like to request all leaders and members to step forward and generously donate woollen clothes and blankets to help the needy have a comfortable winter and escape the chills. Since, 2023 is around the corner, let all of us come forward and unitedly do the best we can do for the society. Let's all make this world a better place to live in.
