I AM A PROUD LIFE MEMBER

'DISCOVER YOURSELF' with 'MEMBERSHIP GROWTH'

Dear Ally Friends,

As last month magazine I elucidate my views on 'Image building', I just want to explain the value of '**Image building with membership**'.

First of all, I wish you all the upcoming special day on 5th September as the 'Founder Day' of our organization. Every Club and District have to celebrate 5th September by the camps, activities or celebration as they can do.

Dear friends, five months are passed with almost all District's/Club's Installations. Every Districts & Clubs are doing well & making a Image of organization in the society. But another side I request everyone to join more hands to work with you.

As In our home when a new member or any guest came after a long time arrives, we celebrate so many rituals with an excitement and good hospitality. when any new member arrives in our Clubs, do we celebrate as like a guest or a new member in our home? if not, why? As we do the activities every month, we can celebrate for the new members with this activity too as honour of the new members, let their involvement in the activity program, let them responsible for the activity, convey some words of their praises etc. When the new members will take interest to be a part of club's activity, they bring more members to join the hands. So decide for membership growth for Image building of your club/ District & then International. I suggest you all to celebrate the coming two months as 'Membership Growth' month because festive season are being started. So every Districts / clubs may celebrate the 'Joining hands' festival also with increasing the members.

Our Prime minister announced to celebrate 'Malnutrition weeks' from 15th to 30th September 2023, so I also request you all to be a part of this activity for Image building of our association.

As we are '**One World One Alliance**' and commit yourself for '**Membership growth**'

Rise & Shine with '**Discover Yourself**'
