Dear Dedicated Ally,

Namaste...Wish You a Happy New Year with new hope,perfect life,excellent plans,solid efforts, fantastic dreams, & awesome success. I wish year 2019 will be proved fantastic & successful for Alliance growth & amazing services with our dedicated efforts.

The motto of Life should be "Learn To Forgive All And To Forget All"

So in New Year let's forget what wrong things happened with us in previous year but let's remember what wonderful matters happened in last year and we should forgive all those who had disturbed us. Positively We should think about our next goal & mission of our hopes,dreams, ambitions. Our fundamental mission is to provide services to needy people and people know us as a social worker so be aware about your duty & responsibility for entire world.

As per my opinion we should create the positive, perfect and genuine leadership who can understand the feeling of members and guide them honestly without expectations. How to balance & control everything properly & honestly is the basic quality of successful leader. Ego is dangerous enemy for any leader so believe in let go and compromise policy. Finally the history of world saying that one great leader can lead thousands of people & one weak leader can destroy everything.

Congratulations To Alliance Club Of Palval Heart City for organising image building project of mass marriage ceremony for 21 couples and all leaders & members of Alliance Family for wonderful & remarkable service activities.

Congratulations to MCC & DG for completion Multiple Convention & District Conference...
