My Dear Alliance Friends,

We have already passed 4 months of Allianistic year and now we are going to celebrate our 14th Foundation Day. Our beloved Alliance has now grown into a complete, trustworthy organization which works tirelessly for the underprivileged section of the society. It is a matter of utmost happiness for me that our International Board Meeting is going to be held on 12th September at Faridabad. Almost after two years we are going to meet one another physically. Looking forward to meet each of you. Members, I am suggesting that you should clear all your international dues within September, 2021. Congratulations and best wishes for all for organizing great service activities throughout the year and specially on Foundation Day. Happy Foundation Day.

Dear Dedicated Ally,

On this 5th september 2021 we will complete 13 years journey of Allianism. Definitely I would say that after to much ups & downs we are on that height which we deserve. We can create image in public by our solid task. Our efforts for the needy society can convince the people. But friends you will accept that during covid 19 pandemic we have also lost some membership so now we should aware about this very important issue and together we should try our level best to retain regular membership & expand more & more new membership & this must be our fundamental motto in coming years. Congratulations to all those

districts who have completed their installation & sponsor new clubs & districts.

From the desk of Imm. Past International President..... Ally VVSS Sarma

Dear Ally Family Members,

The kindness of Ally Members has multiplied, during this pandemic situation. We now have an opportunity to truly change our world. That's why we're uniting our service activities that are of need in rural areas. We the Alliance clubs serve to improve human flourishing, and we see how the global hunger and nutrition crisis bears upon our local communities. We believe community improvement depends on the thriving of its members. I personally pleased on observing the recent service activities rendered by all clubs and the strategic objective to ensure all community members have access to nutritious foods. Besides this our clubs have taken up the Animal care of welfare around us. Now this September Month has got utmost priority to celebrate our Foundation day celebrations on 5th Sept clubs are planning for blood donation camps and also many more service activities and I wish them all to be succeeded.

From the desk of 1st International Vice President..... Ally Manish Paul

Hello Ally Sisters & Brothers,

HAPPY FOUNDATION DAY to all of you. I have noticed that you celebrated Independence Day with full enthusiasm and in Allianistic manner. I am very happy to note that members from every corner of the country are engaged to organised blood donation camp in response to IP's call for the year. It is also my pleasure to note that several clubs and districts are organising their respective Installation ceremony in physical mode. But my appeal to all my beloved and respected Allu Sisters and brothers, please take care of health as still now we are not beyond the period of crisis as a result we are missing the opportunity to celebrate our Foundation day Nationally in this year also. One thing more, the record says that there is a huge unpaid

INTERNATIONAL as well as MULTIPLE DUES. My humble request to all club and district leaders that please arrange to pay the said dues and the last date of payment has already been over and lastly Our IP sir declared a relaxation of payment date as well as in monetary value but still some of we are not taking the matter seriously. Lastly wish all of your good health and expect to meet shortly.

From the desk of 2nd International Vice President..... Ally Dr. Tripta Kaur Juneja

Dear Friends

Communicate to Retain& Motivate is good sign of a leader

Effective communication is a key interpersonal skill that may give an impact to someone whom we communicate to retain& motivate in our association. Making new members is not so hard task, their long existence matters. In this regards communication is a two way process involves both how anyone send and receive messages. Communication serves the purpose for which it was planned or designed. Best leaders must learned how to communicate the new members, how to motivate the active members and how to the retained members. Motivation is an essential part of leadership i.e. a good leader always motivate others to come over with a zeal of active participation. When a retained or new member is not motivated, leaves again with a bad impression, so this is also very much required to recognize with gratitude the members for good causes. Motivation is not in regards of self-serve, it's for the encourage others, be visualized, maintain positive attitude, empathise for noble causes. Leaders made the leaders, it's true. My appeal to all leaders of all Multiples to made new leaders, select new ones& motivate them to arise & shine for the betterment of our Alliance Clubs International.,

'It returns back what we give', Respect everyone is the key of success.
