Dear Ally. Members,

For the approaching New Year 2021, I would like to wish a very Happy and Prosperous New Year and pongal to my dearest Alliance family. The year 2020 created panic in entire globe. At the same time the nature opened every one's eye and taught us the importance of healthy living. The Omnipotent knows how to give you, if you know how to be frugal about yourself and liberal about others. Peace is the absence in the mind of plurality of thoughts, i.e., when the mind is mindful of nothing in particular. You carry Big Luggage of all the experiences of the past years into the New Year and that is the greatest power of every new year. The torch bearer will analyze every experience and filter them and finally take the necessary and absolute one as luggage into the new year and act. I firmly believe that what the New Year brings to you will depend a great deal on what you bring to the New Year. The same goes for our organization also. To perform great deeds for our society, in any situations or in any circumstances, we not only need to have big dreams but also have deep viewpoint in our dreams.

I am thrilled and proud to say that our clubs are doing wonderful activities. Club of Patiala Central DG Ally. Kulbhushan Sharma dist 113 Presented needy items to orphan girl who is in need. On the eve of Ally. Saileshji Birth day ACI Radha Krishna did good job. AC of Chennai Metro city dist. 170 did good activity to a victim of fire accident. My special appreciations to our Alliance club of Indrani Kolkatta for their excellent service projects in the last month season based distribution of blankets etc. and also activity of Sodepur Gaushala. AC of Jagriti given good amount for the medical treatment of a disabled boy in Thakurpur. Ally Shashi Jain gesture is highly appreciable. Further AC of Muktsar dist.111 donated shoes and socks in Govt. Schools under leadership of Ally. NS Rakhra VDG. AC of Jagriti sponsoring of CCTV Camera in a vidyalaya is also worth doing. The Leaders of dist. 105 especially Ally. Guru Prasad ICC executing every month commendable Image Building programs of our Alliance Clubs every month. I would convey my best wishes and regards for the upcoming conventions of district, multiple and international level, which could be a grand success only by your full support and participation.

My Dear Alliance Members,

Wish all of you a very happy, prosperous and most important healthy new year. We became kind of habituated in this new normal situation. Always put your mask on, keep your sanitizer handy and keep social distance. But do not make mental distance with your loved ones. This past year has taught us something very important, be grateful for what you have and always stand by the side of your unprivileged counterparts. That is basic spirit of Allianism and we will celebrate this forever.

Friends, please pay your pending dues and complete your regular meetings in your respective Clubs, Districts and Multiples. Keep doing wonderful service activities . Warm wishes to all of you.

### From the desk of Past International President..... Ally Kamal Lakhotia

Dear Ally Friends,

Happy New Year friends. Hope this 2021 brings you joy, happiness and good health. This 2020 has taken so many things and lives from all of us, but taught us some good lessons also. We realized the importance of family and friends in our lives. We all are looking forward for a great year so that we can meet physically again and strengthen our bond. Celebrate Allianism and do relevant service activities.

### From the desk of Past International President..... Ally Bhupendra Chahwala

Dear Dedicated Ally,

Wish you Happy New Year, Happy Makar Sankranti, Happy Pongal & Happy Republic Day.

All The Best for New Year 2021. Of course we have passed year 2020 with the fear of corona virus and till date whole world is suffering & nobody can say about future. But Hope, Faith & patience can make the safe future & corona vaccine will be succeeded to save lives against corona. However year 2020 was the year of demolition but the year 2021 will be the year of renovation. Because of the disturbance of covid19 we couldn't do remarkable meetings & social work but now we should transfer all loss in success by our dedicated efforts. " Show Must Go On" never give up but try to come back & this is the rules of life. I hope once again together we will do our best to expand Alliance Clubs International with our zeal & integrity. Jai Allianism

### From the desk of Imm. Past International President.....

**Ally Dr. Ashwini K. Gupta**

My Dear Alliance Family,

Greetings for the New year with the hope that it will bring back the Peace Joy and Happiness which was relegated to the Back in the year 2020. We have all faced the hardships with Courage and Inner Strength. This Continuity gives us Root, Change gives us Branches, letting us stretch and grow and reach new heights. To remind yourself all the insights you have gained with time, temporarily adopt an outsider's perspective and carefully consider how your life in the present differs from the range of experiences you lived through in the past. You are not the same person you were one year ago, five years ago, or 10 years ago. Recognizing growth is neither boastful nor immodest. Evolution is a natural fact of life and becomes a potent motivational force when celebrated. Alliance International has imbibed this very true spirit. We know we are brighter, stronger, and more grounded than we once were and look forward to the changes to come. In acknowledging our growth we build a sturdy foundation upon which we can continue to blossom well in the future.

With this positive note wishing you all the Best in this New Year. Sending you Love N Light.

Bon Voyage'2021

Year 2020 has halted our life in one way or the other because of COVID-19. Things doesn't always go the way we want but don't get disheartened, stand up and march ahead. Although, the fight for COVID-19 still on.

Now we are going to welcome New Year'2021. A new year always bring new expectations and goals.

I have always believed that one success leader's help another leader's success. That's a connecting chain to bond each other with success leadership & decisions to grow being made.

It's never late to do something good.

I want to quote Albert Einstein message here "Learn from yesterday, live for today, hope for tomorrow".
